

TOPSOIL

Responsibly sourced,
consistently better -
The experts that care

Sports10

Sports10 is a unique blend of sand, silt and clay, specifically developed as a cost-effective pitch repair product for soil-based winter sports fields.

The combination of 80% sand mixed with 20% British Sugar TOPSOIL gives good drainage whilst promoting grass establishment and growth. The BS3882 compliant topsoil within the blend contains both phosphorous and potassium, which contributes to soil fertility and encourages healthy growth.

**A mix of 80% sand and 20%
British Sugar TOPSOIL**

- ✓ Sports Pitch Repair
